

## THE POWER OF ONE MORE

*with Ed Mylett*

---

### EMBRACING LEADERSHIP THROUGH PAIN

- Leaders often draw their greatest strengths from their pain and challenges.
- Surviving difficult moments can reveal unique gifts and prepare you to help others.
- Great leaders recognize their trials as a source of empathy and influence.
- Leadership begins with understanding your own story and using it to inspire others.
- You are most qualified to help the person you once were.

*"You are most qualified to help the person you used to be." - Ed Mylett*

### CASTING A GOD-SIZED VISION

- Leadership requires selling a vision big enough to include the dreams of others.
- A compelling vision inspires individuals to see themselves contributing to something greater.
- Leaders validate their vision by living it out with authenticity and passion.
- Repetition is key—continue to share the vision consistently to maintain focus and momentum.

*"It takes leaders with vision to help people with dreams." - Ed Mylett*

### BUILDING LEADERS FOR GENERATIONAL IMPACT

- Transformative leadership focuses on building other leaders who carry the vision forward.
- Great leaders invest in people's strengths and empower them to achieve their potential.
- Leadership is about finding the gifts in others and linking those gifts to a meaningful purpose.
- Lasting influence comes from developing individuals who can perpetuate a positive legacy.

*"If you build leaders, people will come." - Ed Mylett*

### LEGACY AND THE POWER OF ONE MORE

- Legacy is built one decision, one relationship, and one moment at a time.
- Leaders must decide who they want to be and what impact they want to leave behind.
- Influence starts with family, creating a foundation of love, encouragement, and consistency.
- The actions you take today shape the stories told about you tomorrow.

“You’re one decision away from changing your life.” - *Ed Mylett*
